## Rules:

1. A minimum of 25 head must be shown in the Open Class Division to receive American Angus Association premium participation for the following year.
2. Exhibitors must have original registration certificate on each animal available for inspection at the show. Any animal upon check-in, which does not have a legible permanent identification mark (i.e. ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to incorrect or ineligible permanent identification mark, animals cannot be re-tattooed and rechecked at the show. Electronically stored registration certificates are NOT accepted - only the original certificate issued by the American Angus Association.
3. Any female shown with a calf at side, calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check-in.
4. Only one person at a time shall lead animals into the show ring.
5. Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association, These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 811. These rules can be found at [www.angus.org](http://www.angus.org).
6. Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.
7. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
8. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
9. Animals shown in group classes must be entered and shown in individual classes.
10. Animals are to be lined up in the show ring in descending order according to age.
11. Bulls in classes 32, 33, 36, 37, 40, 41, 42, 45, 46 and 47 must have a nose lead or ring.
